Lake Fishing To Open In Local Area Saturday

Tahoe, Donner and Boca Expected to Draw Sportsmen

According to division of fish and game predictions, the forecast for the three lakes open in this district April 28 was fair. Salmon (kokanee) fishing in Donner Lake unpredictable, Boca best for rainbow and Lake Tahoe for mackinaw.

* * *

SACRAMENTO —(C. N. S.)-- If there is any doubt whether spring is here, some 500,000 anglers who are testing rods, lines and reels in preparation for the official opening of the trout season should be consulted.

Fishermen will take to the highways and mountain roads on that date to try their luck in any one of the counties in the north coastal area and high Sierra, including Donner Lake, Lake Tahoe and Boca Reservoir, where fishing is legal.

The season opening will be delayed until May 26 in Del Norte, Mariposa, Tuolumne, Alpine, Calaveras, Amador, El Dorado (except Lake Tahoe), Placer (except Lake Tahoe), Nevada (except Donner Lake and Boca Reservoir), Sierra, Plumas (except Lake Almanor, Bucks and Butte Lakes), Lassen and Modoc Counties and in waters tributary to the Pacific Ocean on the coast of Humboldt County.

All other counties and districts will be open to trout fishing on April 28, the division states, and there should be plenty of fishing for the hundreds of thousands of anglers who will get an early start in the search for trout.

The angling regulations for the current season are practically the same as last year. Bag limit has been set at 15 trout, salmon or whitefish but not more than ten pounds and one fish. Fishermen may also possess five black bass, 25 crappie, sunfish or Sacramento perch.

The division is still engaged in planting more fish and a record-breaking plant of catchable sized **fish ranging from 6 to 10 inches** has been placed in lakes and streams.

Fish hatcheries of the division of fish and game have provided a total of 10½ million trout which were planted in California lakes and streams during the last eight months.

Most of the balance of more than 13 million fish on hand in 24 hatchery installations will be planted during spring and summer months. Spring egg-taking operations, which end in May, will add to the total fish inventory.

Terry Walker Seriously Slashed in Home Fall

Terry Walker, son of Mr. and Mrs. James Walker, received a deep gash in his arm, necessitating 15 stitches, when he fell against a glass door at his home last Thursday. Prompt action by his mother and Dr. L. D. Nelson saved the boy from severe loss of blood.

Dave Anderson Family Leaving for Dunsmuir

Mr. and Mrs. David Anderson and daughters are leaving for Dunsmuir this week where the former has received a promotion with the Southern Pacific Company. The family has taken part in community activities and their departure will be regretted.

Hedlunds Are Honored Before Leaving Here

Mr. and Mrs. Kenneth Hedlund were given a farewell party by members of the 20-30 Club and their guests in Cozzi's Cafe on Saturday evening, prior to their departure to Oakland where they will make their home. Donald Hedlund of Oakland was also a guest.

Watts Creditors to Meet In Capital City May 3

The first meeting of creditors in the bankruptcy proceedings filed by Clarence (Pete) Watts, former operator of The Sportsmen west of Truckee, and Geraldine Watts, will be held May 3, 1951, at the Post Office Building in Sacramento. The Watts filed as bankrupts April 13, according to Referee Evan J. Hughes.

Rutherford in East—
Bill Rutherford of Ice Lakes was in Washington, D.C., on the day of the celebration for General Douglas MacArthur.

Verdi Wins As Team Prepares For Portola Go

Verdi's baseball club took the measurement of the Truckee team here Sunday 16 to 6 in a game featured by obvious early season errors. Both teams tried hard but the long winter has slowed the players up and the 17 errors committed gave proof of the need for practice.

When Truckee goes to Portola Sunday, Manager Tom Dolley hopes to have the lineup in better shape and the boys are expected to put up plenty of competition.

Frank Giovannoni pitched for Truckee Sunday and was tapped for 19 hits but struck out eight and never allowed a walk. Roy Galli on the mound for Verdi was hit nine times, struck out 12 and allowed two walks.

The only home run of the day was one off the bat of Willie Curran but unfortunately no one was on base. Eddie Ulsheimer accounted for two of Truckee's six runs and got two hits in his three times at bat. Giovannoni and Curran each got two for five, while Joe Garcia, Verdi second baseman, got four for six and Colombino and Walker each got three for six.

Truckee lost the game in the sixth inning when seven runs were scored off five hits.

The Score:	R	H	E
Verdi	16	19	7
Truckee	6	9	10

Roy Galli and J. Galli; Giovannoni and Frates.

FRANK L. TITUS, JACQUIE CARNEY MARRIED IN RENO

Local friends are awaiting the return of Mr. and Mrs. Frank L. Titus from a honeymoon trip to Houston, Texas, to extend best wishes on their marriage in Reno Monday evening.

Mrs. Titus, nee Miss Jacqueline Carney, has been living in Truckee and Soda Springs for the past year. Her home is at Houston and the newlyweds will visit her relatives while in the south. During recent months Mrs. Titus has been employed as receptionist at the office of Dr. L. D. Nelson and is widely known among the younger set.

Titus is the son of Mr. and Mrs. Frank A. Titus, pioneer residents of Truckee. He attended local schools and the Universities of Nevada and California. During the war he was a navy pilot and since his return has been employed by Loynd's Truckee Drug both here and at Lake Tahoe.

The ceremony was performed by Rev. A. L. Baker at the Reno Methodist Church and the bridegroom's brother-in-law and sister, Dr. and Mrs. A. A. Cozzalio, of Reno were attendants at the ceremony. Following the wedding, a dinner was served at the Riverside Hotel and Tuesday morning the couple left for Texas by auto.

Trucker Ready to Quit Following Two Mishaps

If things continue to get rougher Vernon Perkins, 31, Richmond truck driver, may go into another business, he told Patrolman William Gautsche last week.

On April 12, a car driven by Harold Fischer, Reno, crashed into Perkins' truck near Hirschdale, injuring two people quite seriously and resulting in Fischer being cited.

Then on his next trip last Wednesday, Perkins was traveling east near Norden when a car driven by William Boyle Jr., San Francisco ran into the rear of his truck injuring Leonard Garcia, San Francisco. Gautsche issued a citation to Boyle who said he fell asleep at the wheel of his car.

Chamber Election Result To be Canvassed Tonight

The names of 10 candidates have been submitted to the membership of the Truckee Chamber of Commerce for the election of seven directors.

The names were mailed to the members with instructions to vote for seven and return the ballot by today. The results will be canvassed at a 7 o'clock dinner meeting at the California Cafe tonight.

Traffic Accident Kills One, Hurts Several Others

Summit Area Car Crashes Send Travelers To Hospitals

One man was killed and seven others were injured in three separate motor vehicle accidents during the past week near here.

Raymond Euer, Sheridan, died in a Reno hospital a short time after a car driven by Mrs. Edna Fraser, 23, Wheatland, went out of control and overturned a mile east of Crampton's Lodge last Thursday evening.

Mrs. Fraser suffered serious injuries and the other occupants of the convertible were hospitalized. They are Jean Euer, wife of the dead man; Martin Gillies, 18, of Lincoln and Eldon Prophet, 19, Lincoln.

The injured were rushed to the hospital by two Truckee ambulances.

State Patrolman William Gautsche said the car was traveling east, according to witnesses, when it swerved into a meadow and back onto the shoulder of the road, where it got out of control and rolled down the pavement, scattering the occupants.

Euer is related to the Euer family prominent in this district.

Hitchhiker Hurt

A man identified by a selective service card which was his only possession as John Buckalew, 26, Los Angeles, was critically hurt yesterday afternoon at 1:30 when a car driven by Reavis L. Wade, 25, Sacramento salesman, skidded and overturned a mile east of Rainbow. Buckalew was a hitchhiker and suffered skull injuries and was rushed to the county hospital by Truckee ambulance.

Wade was not injured. Patrolman Roy Stallard was making the investigation.

Car Hits Tree

Miss Jean Fisher, 20, San Francisco, suffered major injuries when a car operated by Italio Salimano, 26, San Francisco, left the road and crashed into a tree on Kingvale grade on Saturday morning. Patrolman Stallard, who investigated, said the driver apparently fell asleep at the wheel. The injured were taken to Reno by Truckee ambulance.

Brother of Local Woman Escapes from Kidnapper

Harry Zak, 51, Oakland, one of the two men kidnapped by Wayne E. Payton, a legless ex-convict, shot to death in Stockton Tuesday after a night of shooting and kidnapping, is a brother of Mrs. Ernie Ineichen, whose husband operates the Palace Barber Shop here.

Zak telephoned his sister immediately after his escape and the killing of Payton in a residential section of Stockton when he elected to shoot it out with officers.

The incident started in an Oakland hotel Monday night after Payton struck Laura Teague, who was registered with him under assumed names. The woman fled the hotel and Payton took after her. He stopped at the desk and when the clerk denied knowledge of the woman's whereabouts and started to call the police when Payton cursed him, the latter shot him three times.

Payton had car trouble and called James Youd of Richmond to assist him. Payton got into the pickup with Youd and with a gun forced him to drive around. After two hours Payton demanded another car. He saw Zak getting out of his coupe and the two pulled along side and they got into the coupe and Payton forced them to drive to Stockton.

At Stockton, police recognized Payton in a drivein and the latter forced Zak to drive on with a gun in his side. After three blocks Zak leaped from the car and Payton continued driving until he reached a home and stumbled upon the porch. As the police approached, he fired and the officers returned the fire, shooting him to death.

Tony Pace is resting at his home following an operation performed at Reno last week.

Sun Beams

by Walter M. Barrett

Local residents next Tuesday will go to the polls to elect four directors on two district governing boards—the Truckee Public Utility District and the Truckee Fire District. Despite the importance to the community, local district elections are generally marked with apathy and we can only urge that a large vote be cast to prove to the boards that the people are alert and interested in their activities. Since we are governed and taxed largely through our various districts, it is incumbent upon the voter to show more interest in the people chosen to direct their progress.

An orchid this week to the Rotary Club for its splendid donation to the Community Church building fund. The necessity of supporting the churches in the community cannot be over emphasized. Any community without a church would be a sad affair and we feel that in its generous donation the club has exemplified the right spirit of service.

TPUD EXTENDS FACILITIES FOR HILL TOP MILL

This week a crew under the supervision of Foreman Tom Patterson of the Truckee Public Utility District started the work of extending the district's lines and placing heavier transformers in service at Hill Top Lodge.

Crandall Brothers, owners of Hill Top Lodge, are rushing plans to reopen the Hill Top lumber mill adjacent to the lodge and are installing machinery in a new planing mill capable of handling 30,000 feet of lumber per day.

A diesel engine powers the main saws but all other operations are to be electric which will total over 100 horse power.

Some idea of the steady growth of the district can be gathered from the following figures submitted by the district's manager C. Edmunds:

In March 1950 the district purchased from the Sierra Pacific Power Company 191,600 kilowatts with a peak demand of 418 KW at a cost of $2,189.70. For March of this year the district purchased 253,200 kilowatts with a peak demand of 596 KW at a cost of $3,005.82.

This, said Edmunds, shows an increase of over 32 per cent in kilowatts purchased in March of 1951 over the corresponding month in 1950, an increase of over 42 per cent in the peak demand in the same period and an increase of over 37 per cent in the cost of purchased power.

The cost to the district for purchased power in March 1950 was .0114 cents per kilowatt and for March 1951 it was .0119 cents per kilowatt.

More Details Learned In Ed Schnerr's Death

Further details on the death of Edward Schnerr, 39, killed in an automobile accident near Los Gatos last week, were contained in a letter received this week from E. E. Boehm from Bryce Euer of Folsom, who purchased some of the Schnerr property near here recently.

Euer said he learned that Schnerr, who left Reno in February to return to his family home near Los Gatos, had been living there. Late Saturday night he left the home for town three miles away and on the way he ran into the rear of another car. He was injured critically about the head. The driver of the other car also suffered serious injuries but will recover.

District Governor Visits Lions Club Meet Here

Bob Titus, district governor, from Sacramento was the honor guest at last night's meeting of the Lions Club. He was accompanied by Hal Stone, also of the capital city. Other guests were Gus Benjamin of Wendover, Utah, and Ken McCray of Auburn. R. C. Gifford presided.

District Election Scheduled Here For Next Tues.

Public Utility, Fire Districts Consolidate Balloting For Officers

Truckee voters will go to the polls Tuesday to elect two directors for the Truckee Public Utility District and two for the fire district.

The polls will be consolidated at the fire station and one election board will serve for both districts. It is pointed out that all voters in the utility district, which includes the area around Donner Lake as well as locally, may cast their ballots for utility directors, while voting for the fire commissioners will be confined to the boundaries of the fire district.

On the latter ballots, no names will appear although the write-in candidates are F. W. Gaiennie and R. N. Little, both incumbents, the latter having been appointed to fill the unexpired term of the late Dr. J. H. Bernard.

There are two candidates for the two vacancies on the utility board, Mrs. Ametta Firpo and Harold T. Langille, who filed and whose names appear on the ballot. The terms of E. L. Loynd and B. W. Reynolds expire.

ASSESSOR HERE FOR THREE DAYS OF NEXT WEEK

Property owners, veterans especially, are advised that representatives of County Assessor William Tamblyn's office will be in Truckee on May 2, 3 and 4 at the Truckee Public Utility District office.

Anyone wishing to question their assessment or who have problems regarding it may meet with the officials here.

Veterans owning not more than $5,000 worth of property are entitled to a $1,000 exemption. However, these exemptions must be claimed each year in person before the last Monday in May. When applying for the first time, veterans must bring proof of veterans' status. Veterans who cannot apply in person may have their wives file for them.

Daughter of R. N. Littles Is Married at Alameda

Mr. and Mrs. Richard N. Little have announced the marriage of their daughter, Roanne Little Vertner, to Richard Arthur George at a quiet ceremony in the Methodist Church at Alameda on Monday, April 23.

Mrs. George is well known here where she formerly lived and her husband is a former Springfield, Mass., resident now stationed at the Naval Air Station at Alameda.

Following a trip to Russian River, the couple will be weekend guests of Mr. and Mrs. Little before returning to Alameda where they have established their home.

AAUW Picks Delegate To State Convention

At a meeting held at Mrs. Clifton King's residence Tuesday, Mrs. Kjell Rustad was nominated to represent the Tahoe - Sierra Branch at the state convention of A.A.U.W. which will be held in Coronado, Calif., May 11, 12 and 13. It was also announced that several members of the local branch would attend the Nevada state A.A.U.W. convention to be held in Carson City May 4 and 5.

Daughter Arrives For Arthur Johnson Family

Twila Yvonne are the given names of the daughter of Mr. and Mrs. Arthur Johnson who arrived at Reno on Saturday, April 7. The little girl's first weight was 6 pounds 12¼ ounces.

Oregon Trip—
Mrs. Wayne Philippi returned last week from a trip to Oregon where she visited relatives and friends.

Flycasters Offer Compromise To Assure Privacy

A compromise proposal which is designed to end a long-standing misunderstanding relative to fishing in the vicinity of the Flycasting Club has been offered by L. B. Young, president of the club, and has met with the approval of local sportsmen.

The club, which owns property adjacent to the Truckee River from a point just west of the mouth of Martis Creek to the confluence of Prosser Creek, proposes to open all that area, with the exception of a short strip in front of the clubhouse, to members of the Truckee Outdoor Sportsmen and their guests. Access will be by permit only but no restriction on the type of fishing will be enforced.

Young said he has discussed the plan with the club's board of directors and all agree that some of the present restrictions can be removed with the understanding that strict enforcement of the trespass law on the area immediately adjacent to the clubhouse be enforced.

The area on which no fishermen would be permitted would be conspicuously posted from approximately a quarter or a mile above the clubhouse to the east end of the red slide, a little over a quarter of a mile east of the building.

Local officers, Constable N. F. Dolley said, have indicated they will assist in the enforcement and sportsmen are being asked to cooperate in reporting violations and assisting in keeping the clubhouse area free of trespassers.

In past years, fishermen have consistently violated the no trespassing signs along the club's property and a few have created somewhat of a problem by going right into the yard of the clubhouse. It is the desire of the club to cooperate fully and the recent decision should meet with the wholehearted approval of local sportsmen.

ROTARY GIVES $103 TO CHURCH FUND; HEARS ASSESSOR

At the meeting of the Rotary Club Monday, William Tamblyn, Nevada County assessor, addressed the members on the general procedure of the assessor's office. He also made interesting comments on the developments of the Truckee area. Tamblyn is president of the Nevada City Rotary Club.

Guests at the meeting were Vern Shattuck and Ray Scott of Truckee, Phil Scadden of Nevada City and H. D. Stark, Tahoe City.

Recognizing that the Community Church is in need of repairs and its importance to the community, the club raised $103 for improvements to be determined by Rev. A. A. Carmitchel. One of the contributors was C. Rees of San Francisco. Rees, president of Rees Blow Pipe Mfg. Co., is installing a kiln-drying unit for the Stockton Box Company's local saw mill.

Mrs. Ferdinand Honoree At Recent Baby Shower

Mrs. Kenneth Hedlund was hostess at a surprise baby shower in honor of Mrs. Loren Ferdinand on Wednesday evening, April 18. A delicious buffet supper was served, followed by a sewing contest. The guest of honor was presented with and opened lovely gifts from her friends.

Those invited were Mesdames Cliff Ellis, Omar Alexander, L. R. Russell, Jack Ellis, Paul Archer, David Rose, Chet Burns, George F. Kamp and Harvey Hocker.

Osburn's Garage Sells New Buicks in Truckee

Mr. and Mrs. R. C. Gifford have accepted delivery of a new Buick super Riveria from the Osburn Buick Garage. Mr. and Mrs. John Rau purchased a four-door special sedan from the same agency.

Tonsils Removed—
Mrs. Frank Giovannoni returned home after having undergone a tonsilectomy during the week end.

Well Accident Is Fatal To Worker At Soda Springs

Truckee Resuscitator Gets Credit for Saving One Life

One man died, a second was hospitalized in a serious condition and a third required medical attention as the result of a well accident at Pratt's Garage on Donner Summit Sunday morning.

The dead man is Felix Trujillo, 25, employed by the Southern Pacific at Troy. His companion, Miguel Rios, 27, S. P. employee at Norden, is in a Reno hospital recovering from gas fumes and Earl DeBeau, 48, superintendent of a construction job at Soda Springs, was treated for asphyxiation as a result of the spectacular incident.

According to witnesses, Trujillo and Rios had been employed by Harry Pratt, operator of the garage, to clean out the well which had apparently absorbed gasoline from nearby storage tanks. Trujillo was lowered into the 35-foot hole on a rope ladder. He had not been down more than a short time when he was overcome by the fumes. Rios was lowered quickly into the shaft and was attempting to bring Trujillo out when the rope snapped, allowing both to be submerged in the poisonous hole.

Pratt, according to witnesses, was part way down the well when a blast occurred, apparently caused by an electric light which had been lowered. The blast added to the dangers of the men in the well, who were both unconscious.

DeBeau, fitted with one of the Truckee Fire Department's smoke masks, was lowered down by ropes and brought Rios to the surface. He then returned to the bottom of the hole and brought up Trujillo's body.

Roy Waters, who operates the Truckee Fire Department's respirator, went to work on Rios and within a few minutes he showed signs of life and was placed in the Truckee ambulance and rushed to Reno. Efforts to revive Trujillo were futile.

The accident occurred before 10 a.m. Sunday and attracted a large number of volunteers including the two Truckee ambulances and the drivers, F. W. Wilson, N. F. Dolley and Erving Waters; State Patrolmen William Gautsche, T. F. Sheehan and Roy Stallard, as well as several summit residents who were on hand to give aid.

Funeral services were held here yesterday for Trujillo, who is survived by his wife and one daughter, well known in the Norden area. The Truckee Colonial Mortuary had charge of the rites and burial was in the Truckee cemetery.

Jack's Sandwich Shop Opens Here This Week

Jack Foster yesterday opened his Jack's Sandwich Shop here between the Toggery and R. N. Little's office on Commercial Row.

Foster, who has worked in various cafes and resorts around this area during the past decade, will offer counter service for breakfasts and sandwiches. Featured on the bill of fare will be waffles and "real Coney Island hot dogs." He said he will open for the breakfast customers and remain open to accommodate late theater goers.

Rebekahs Plan Trip To District Meeting

The regular meeting of Naomi Rebekah Lodge No. 2 was held in IOOF Hall last night with Alice McGee presiding. Plans were made to attend a district meeting in Grass Valley on Saturday. The officers of the local lodge are to exemplify a part of the ritualistic work. The occasion is the official visit of Ruth Akers, president of the California Rebekah Assembly. Members planning to attend are Alice McGee, Lucille Bick, Gwendolyn Hocker, Ruth Campbell, Alice Mayer, Dorothy Kay, Winifred Kamp, Herma Nesbit and Pearl Heller.

Mrs. Kamp was in charge of refreshments last night.

Several New Fords Are Delivered in District

Wittich Motors of Colfax reports the sale of the following Ford cars: A business coupe to Henry Hutmacher of Norden, Bertram Bacon of Cisco Grove took delivery of a custom four-door sedan, F. L. Martinez of Soda Springs is driving a new custom two-door sedan and Carl Painter took delivery of a Mercury four-door. All have overdrive.

North Tahoe

by THELMA BURROUGHS

There's no place like home! Nor is there any place like Tahoe. Those wide streets of Salt Lake City are nice. The Mormon Temple is one of the seven wonders. Those great salt lake beds are something to get on across—especially if the sun shines brightly. The wide open spaces of Wyoming would never induce claustrophobia. Lake Michigan has its good points. The lakes of the Ozarks have hundreds of miles of shoreline and is fast becoming known as a great resort area. Kansas has its oil, so has Oklahoma. New Mexico and Arizona shout with high signs about their man killing, venom spitting rattlers. Of course, Arizona has its Grand Canyon too. Southern California has its oranges, flowers and smog. But give me Tahoe! We're glad to be back home.

We are sorry that Pauline Noel is back in a San Francisco hospital where she is to undergo surgery and will remain for some time.

WSCS will sponsor a talent show at the Brockway Theater on May 8 preceding which a bake sale will be in full progress by 5 p.m. in the lobby. Everyone is welcome.

Bible Study group met at the home of Mrs. Hansen on Tuesday.

Mr. and Mrs. Carroll Rapier have returned to their Tahoe Vista home for the summer.

I see the Freemiers are waving flags around their Sportsmen's Port prior to fishing season's opending date on April 28.

Mr. and Mrs. Tom James of James' Lake Shore Cabins are back to get ready for the summer season.

George Phillips is seen back around Sandy Beach Hotel.

Dottie and Bill Martin welcomed little Sandra Sue into their hearts and home on Friday, April 13, at Washoe General Hospital in Reno. Upon arrival brand new Sandra Sue tipped the scales at six pounds 12 ounces. Mother and infant are fit as fiddles and happy to be back at their Tahoe Vista home. Congratulations to the Martins.

Bertha and Gilbert Ballard and son have moved out of their former Tahoe Vista home into one of the Freemeir cottages for the summer, the Ballard home having been sold last year.

George Meisenheimer can be found working around his place these days. He came home to get the house in order for summer business. May will be home next month. She likes that job in San Jose and will stay with it until school is out to bring the girls home with her.

Lou Boyce with daughter Mary and son Jimmie spent last week end with husband and father, Richard Boyce, at Tooela, Utah. Dick is up there on a big project, the army ordnance base, which is just beginning construction. We saw Dick out in that rugged country about three weeks ago.

North Tahoe Women's Club sponsored a card party held at the school house Saturday night last week.

Pauline and Nancy Smith are visiting with Pauline's brother, Preston Burroughs, at Fallon, Nevada, for a couple of weeks.

Mr. and Mrs. J. R. McKinney, who looked after The Burroughs interests for the past three weeks, have returned to their home in Whittier.

North Tahoe branch of Placer County Free Library is open in The Burroughs lounge each Sunday and Thursday afternoon. are available at any time. Phone in for information or stop by. Don't fail to make use of your library. It is here for your convenience. One and all are welcome to read in the lounge.

Please call your items in to Brockway 337J.

ROLL CALL SERVICE AT CHURCH HERE SUNDAY MORNING

The annual Roll Call of the Truckee Community Methodist Church will be held on Sunday, April 29, according to Rev. A. A. Carmitchel.

It is the desire of the church to have all active members present and answer when their names are called. This is an annual action to keep people in good standing in the church roll. Members are urged by the pastor to set aside this service, which starts at 11 a.m., and answer to their names.

Likewise, it will be the installation service for all Women's Society officers for the coming year. Officers elect are especially requested to be present for this service and take part in it.

ADVERTISE

No. 5204

....In the Superior Court of the State of California In and for the County of Nevada

Notice for Publication of Time Appointed for Proving Will, Etc.

In the Matter of the Estate of MANUEL LOUIS FURTADO, also known as M. L. FURTADO, also known as MANUEL LUIS FURTADO, Deceased

NOTICE IS HEREBY GIVEN that Friday the 18th day of May, 1951, at 10 o'clock A. M. of said day, at the Court Room of said Court, at the Court House in the City of Nevada City, County of Nevada, has been appointed by me as the time and place for proving the Will of Manuel Louis Furtado, alias, deceased and for hearing the petition of Joe Dias iPereira for the issuance to him of Letters Testamentary when and where any person interested may appear and contest the same. Reference is hereby made to said petition for further particulars.

Dated April 25th, 1951.

SWANEE'S TAHOE LETTER

Tahoe City, April 23

Dear Tahoeites:

This has been a beautiful Monday, sunny and warm all day. Hundreds of motorists swarmed local highways over the weekend with licenses noted from many distant states.

My weekly jaunts to daughter Marie's in Reno increase in pleasure each week as summer begins to move westward along the Truckee River. Right now heather blooms along the river beyond Farad and the yellow wyethia is flowering in the meadows, although Tahoe wild flowers have not yet appeared with the exception of tiny yellow buttercups which dot the meadow near Deep Creek on Highway 89.

Tahoe City had two showings of the cancer film, "Self Examination," on Wednesday and Thursday nights of last week, thanks to Mr. and Mrs. William Grant who spent the weekend at Tahoe Inn. Mrs. Grant is educational chairman of the Napa county chapter of the American Cancer Society and a conscientious and sincere worker for the cause. The Women's Club of Tahoe sponsored the showing of the film.

Mrs. Marie Henry of Tahoe City attended the regular meeting of the Placer County board of health in Auburn last Monday. She as accompanied by Mrs. Al Henry Jr. and son Gary. Election of officers found Dr. Dubin of Lincoln new chairman with John Barbieri of Roseville, vice chairman and Madge Cross retained as secretary. Barbieri has also been appointed campaign chairman of the cancer fund drive which starts soon. Tahoe residents may mail donations to Mrs. Marie Henry, chairman for the Tahoe City area, or Mrs. Minnie Wagner, Kings Beach, chairman of North Tahoe area.

Friends of Dr. and Mrs. George Clarke, former Lake Forest residents now residing near Sacramento, got to exchange greetings with them briefly on Sunday last when they drove up for the day to inspect their property here.

Hear the Lynn Kishbaughs' dog is being shunned this week by family and friends alike. He went "roaming in the gloaming" and made contact with a black kitty with a broad white stripe down his back. Now he is literally in the dog house.

Had a letter in today's mail from my old friend Ubaldo Manocchi, "Shorty" to all his friends. He wrote, a bit regretfully, that he would not be coming back to Tahoe Tavern and the golf course this summer as he has accepted a very good job at the Knollwood Club, Lake Forest, Illinois, about 30 miles from Chicago. Shorty is widely known in Arizona where he has wintered and worked at the Chandler Hotel for the past several winters. He is frequently seen riding his trim racing bike along the highways there just as he was at Tahoe where for the past four years he has made bicycle history here by beating his own record each year in the 75 mile run around the lake. At Tahoe Tavern each summer he held down two jobs all summer—caddy on the golf course daytimes and night man at the resort after dark. His many friends here will miss him but all will join me in wishing him the best of good luck in his new job.

The Lake Tahoe Ski Club meets again Friday night, April 27, and then goes back on summer schedule with a meeting only once monthly, on the last Friday night of each month. All members are urged to attend.

Ring off for the week with a cheery adios to one and all, as ever, Swanee.

TAHOE ITEMS

The Ralph Stanleys of Stanola Lodge have returned from Santa Monica to Tahoma.

Mrs. Jessie Hale is greeting friends at Kings Beach following a winter in Oakland.

Mr. and Mrs. E. W. Wiseman are returning to Kings Beach following several months in Los Angeles.

An April 14 marriage license was issued at Reno to Clinton H. Martin Sr. and Elsie Marie Young both of Tahoe City.

A. J. Ketman returns this week to Carnelian Bay from Menlo Park, where he spent the winter.

Mrs. Judy Maher has returned to Meeks Bay for the spring and summer months, having visited in Watsonville.

Mr. and Mrs. N. R. Mayfield are again living in their Tahoe City home, arriving from Auburn.

Don Huff came from his Woodland ranch to attend to repairs and decoration of his Homewood Resort.

Constable Richard Lavery of Kings Beach has been named as deputy coroner for his community by Francis West, coroner of Placer County. The appointment has no salary attached but was made to expedite official action in emergencies.

An acre-foot of water covers one acre one foot deep.

Wool on Hoof Far Short Of U. S. Demands

SACRAMENTO —(C. N. S.)— The approximate 1,600,00 sheep on California ranges, 4,600 in Nevada County, can clothe only 60,000 United States soldiers for one year and the wool output in the United States is only sufficient for an army of 1,300,000.

A bulletin issued by agricultural experts shows why the United States must count heavily on South Africa and Australia for additional wool, if soldiers and sailors are to be properly clothed for the long period of emergency ahead.

Not only must the military needs be met but the huge civilian population at home must have clothing and the increasing demands for better clothes in one reason why the price of wool has advanced to more than $1 per pound.

With a good market demand for both wool and meat, farmers are increasing their flocks in the hope that by 1952 they will be able to recapture a portion of the markets now dominated by sheepmen in Australia and South Africa.

How to make good telephone service even better....

Your "information" operator is on the job to serve you . . . with numbers not listed in your directory. And smart telephone users call her only when they don't find the number they want in the telephone book. Why, they say, make two calls when one will do?

Why not keep a list of Long Distance numbers too? Wonder how many long distance users have discovered that a list of the out-of-town numbers they call can be a mighty handy thing. Saves time, you know, if you place your call by number rather than just by name and address. So, next time you call, why not jot down the number of the person you're calling when your long distance operator reports it to you ...and start your own long distance number list?

Lots of people spend lots of time designing your telephone set for both beauty and efficiency. Gadgets and attachments only clutter up its clean lines... and perhaps impair its efficiency.

COTTON and CAPITAL...

...create a hundred-thousand jobs!

From the loam to the loom and beyond, California cotton is big business. It takes a hundred-thousand people to grow and process California's yearly crop, so it isn't surprising that it takes a lot of money, too.

If you were to ask 100 cotton men where this money comes from, you'd hear Bank of America mentioned more often than you'd think. For in cotton—and just about anything else—Bank of America matches "know-how" with the money to make it produce.

But lending money is only part of the bank's job—deposit services are important, too. Commercial checking accounts, Tenplan checking accounts, Life-Insured Savings, Thrift Club, Christmas Club and regular savings accounts ...all serve the banking needs of Californians in more than 300 cities and towns.

Here is statewide branch banking in operation—a banking service that is possible only because of progressive policies, vast resources, and statewide branch facilities

Hunters' Sobriety Would Become State Law

SACRAMENTO —(C. N. S.)— Sobriety will rule the hunt in the future, if a bill passed by the assembly wins senate approval and is signed by the governor.

The measure, introduced by Assemblyman Lester T. Davis of Plumas County, would make it unlawful to hunt or trap while under the influence of alcohol.

The bill not only applies to hunters with guns but also to archers using bow and arrow.

Electric Cooking
and
Hot Water Heating

We are constantly being asked by those who want to change from the old fashioned methods of cooking and hot water heating to the modern, fast, clean electric way —

What Does It Cost?

The best answer is, ask your neighbor who has gone ALL ELECTRIC.

Here are some actual payments made by 90 of our Domestic Customers who cook, heat water, use appliances and light with electricity as taken from their March bills:

8 PAID LESS THAN	$5.00
43 PAID BETWEEN	$5.00 and $10.00
19 PAID BETWEEN	$10.00 and $15.00
10 PAID BETWEEN	$15.00 and $20.00
10 PAID OVER	$20.00

In several instances some of the customers are using electrical space heaters also, which accounts for their higher bills.

HOME OWNERS' QUESTION BOX

Q—How should I go about removing the paint from an old chest?

A—A hand scraper and sandpaper can be used, but care must be taken not to let the corner of the scraper gouge into the wood.

Q—I plan to re-roof my home and have been told by my roofer that the new roofing material can be laid over the present roof. Is this practice recommended.

A—Yes, there are definite advantages to laying a new material, such as fire resistant asphalt shingles, over your present roof. First, you gain the rigidity and added insulation value of a double roof. You also save the cost of removing the old roof and are spared considerable dirt both inside and outside the house. The old roof should be prepared for the new covering by nailing down loose shingles and replacing any that are missing. When laying asphalt shingles over an old wood shingle roof, nail feathering strips—slightly beveled strips of wood—along the butts of the old shingles to provide a smooth, even surface.

Q—I would like to know how to repair a kitchen chair which has become loose at the joints.

A—The best method is to take the chair apart and clean out all the old glue. Then use a good quality liquid glue, household cement or liquid solder when the chair is reassembled. Both parts of a joint should be coated.

PORKY CONTROL IS OBJECT OF FOREST CONTEST

Faced with the problem of excessive porcupine damage to young pine trees and no funds for control, the Tahoe National Forest personnel have chosen up sides and rolled up sleeves to accomplish some measure of control incidental to other work. Each ranger district and the forest supervisor's staff have organized two teams, who will compete for several prizes and a dinner at the end of the year. The losing teams will pay the bill.

Porcupines live on the tender bark of young trees from late fall until early spring. They bring about death or deformity of many trees by girdling the stem. Although they will eat the bark of all coniferous trees, they prefer young ponderosa pine. As would be expected, the heaviest concentration of the animals are in ponderosa pine forests. They like rocky denning areas and a dry climate to go with their food supply and are particularly numerous along the dried eastern slopes of the Sierra, where there are extensive pine stands with surrounding lava rims. Dens are usually found in piles of large boulders at the base of lava cliffs.

On the west slopes of the Sierra, the total population of porcupines is relatively small but there are localized concentrations or colonies which do a great deal of damage. Young pine plantations are nearly always attacked to such an extent that plantings without follow-up porcupine control is impractical.

Experienced hunters are able to spot porcupine nest trees and kill many animals by shooting during the fall and winter.

In the spring and summer the animals feed on grasses and succulent vegetation. Forest service employees are able to chalk up quite a few kills in mountain meadows in the late evening.

Pensioners' Fishing Fee

SACRAMENTO —(C. N. S.)— Pensioners would be entitled to $3 fishing licenses for 50 cents under a bill recently passed by the state assemly. The measure provides that if a person is receiving aid under the welfare and institutions code they are eligible for the lower license fee.

FLORISTON

by C. A. FELESINA

Mrs. Wesley Craig is in a Reno hospital following a major operation.

David Germaine, who is working with Isbell Construction Co. at Denio, Ore., was home last weekend to see his family.

Mr. and Mrs. Julius Smitts spent a few days last week at the home of their son-in-law and daughter, Mr. and Mrs. Jean Hammersmith in Sparks.

Mr. and Mrs. Virgil Simpson and family of Grants Pass, Ore., recently visited at the home of his brother-in-law and sister, Mr. and Mrs. Wesley Craig.

Mr. and Mrs. Earl Biles of Auburn and Mr. and Mrs. Jack von Sturmer of Forest Hill were recent visitors at the Lester Felesina home.

Tahoe Weather

TAHOE CITY— Cloudy weather, with only slight traces of rain, featured the weather here for the past week, according to A. E. Frodenberg, observer. High and low daily temperatures up to Monday were:

April 16th: 58, 35; 17th, 57, 30; 18th, 55, 27; 19th, 52, 30; 20th, 56, 27; 21st, 58, 29; 22nd, 60, 29; 23rd, low 33.

The giographical center of San Francisco is Twin Peaks.

Dairying is the second most important industry in Humboldt County.

Comfort is when You don't feel anything!

Most folks think of comfort as a state of repose—a kind of wonderful process that supports you everywhere but touches you nowhere. Actually, it's the little things you *don't* feel that make you comfortable.

Chair Cars on Southern Pacific's modern streamliners have been built with this thought—*your comfort*—the first consideration. Dust-free, draft-free air-conditioning. No-glare fluorescent lighting. Soft-as-a-cloud foam-rubber seats. Lots of leg room and move-around room. Extra large windows. Feather-touch doors. Spacious washrooms.

That's why Chair Cars on Southern Pacific streamliners are the most luxurious form of all low-cost transportation.

ADVERTISING PLAN, AIRPORT OCCUPY CHAMBER'S BOARD

TAHOE CITY— A meeting of the board of directors of the Lake Tahoe Chamber of Commerce was held last Thursday evening at the chamber's new office in the Kilner Building in Tahoe City which has been modernly and comfortably equipped.

C. W. Vernon of Tahoe City is acting president since the retirement of President Bud Beecher of South Tahoe because of ill health. Members of the board beside Vernon are H. E. Brooks, vice president; Ken Amundson, treasurer; Eugene Jarvis, North Tahoe; D. W. McCleery, Glenbrook; Ellsworth Chappel, Zephyr Cove; Mrs. Jeannette Bassey, South Tahoe; Al Young, Bijou; Carl Byrd, Al Tahoe; E. R. Smith, Tahoe Valley; Norman Celio, Myers; Roy Porath, Kings Beach; A. J. Ketman, Carnelian Bay; Bill Wiseman, Brockway; Harry Stubley, Kings Beach; Harold Feakins, Tahoma; Fred Cunningham, Homewood; N. R. Mayfield, Tahoe City; Bob Snyder, Lake Forest; Ed O'Haggerty, Tahoe Vista, and Ross H. Frank, new secretary manager.

Frank declared that a definite program was laid out by the board for the 1951 season. It includes advertising the many attractions offered by Lake Tahoe by way of highway signs, magazine ads and radio spots through the season in the bay district, southern California and other localities. A concerted effort will be made to publicize the year round activities in the lake region. Frank will establish a community calender listing all functions in advance, such as ski meets, boat races, regattas, seminars, swimming and diving events, Boy and Girl Scout activities, church and theater schedules and all such information of interest to the vacationing public.

The chamber plans also to work closely with the Civil Aeronautics Administration which has mapped plans for a new airport at the south end of Lake Tahoe, part of which may include the old Pope estate. Plans are already made and work is started at this writing.

Frank is most optimistic as he takes up his new duties here, declaring the local chamber has been completely reorganized with new memberships being received daily. Tahoe business organizations and resorts are looking forward to a lively and lucrative summer season. Chamber members have pledged their united cooperation in spreading far and wide the famed beauties and hospitality of Lake Tahoe.

* * *

Moves to Tahoe City—

Miss Carol Raymond will occupy the Jake Stuart home at Lake Forest for the summer. She has been living in Kings Beach.

ADVERTISE

Women's Clubs Sponsor Cancer Fund Drive

TAHOE CITY— The annual Cancer Drive for funds will soon get under way in the Lake Tahoe area, with the Women's Club of Tahoe and the North Tahoe Women's Club serving as sponsors this year. Mrs. Marie Henry, member of the Placer County board of health, will be chairman in the Tahoe City area and Mrs. Minnie Wagner, president of the North Tahoe group, will serve as chairman in her area. Checks may be mailed to either group.

* * *

Pineland Guests—

Mr. and Mrs. James Quinn of Pineland entertained guests from Alturas recently. They were Mrs. Quinn's brother-in-law and sister Mr. and Mrs. John McKernan. At the Lynn Kishbaughs' in Pineland guests included Hugh Smith and Miss Ellen Mendenhall of Chester.

NOTICE OF INTENTION TO ENGAGE IN THE SALE OF ALCOHOLIC BEVERAGES

April 20, 1951

To Whom It May Concern—

Subject to issuance of the license applied for, and commencing not less than 15 days after the date posted, notice is hereby given that the undersigned proposes to sell alcoholic beverages at these premises, described as follows:

Donner Snack Shack, Hwy. 40 at Donner Lake, Nevada County.

Pursuant to such intention, the undersigned is applying to the State Board of Equalization for issuance on original application of an alcoholic beverage license (or licenses) for these premises as follows:

On Sale Beer

Anyone desiring to protest the issuance of such license(s) may file a verified protest with the State Board of Equalization at Sacramento, California, stating grounds for denial as provided by law. The premises are not now **licensed for the sale of alcoholic beverages.**

TOM BONANO

"THE TAHOE THING" PTA PROGRAM IS SCHEDULED MAY 11

TAHOE CITY— Mrs. June Grinstead, president of the Tahoe Lake Parents and Teachers Association, announces that the group's annual spring festival will be held on May 11 around 6:30 p.m. in the Tahoe Lake School auditorium.

The festival has been tagged "The Tahoe Thing" and this year will include a carnival, talent show wtih cash prizes, motion pictures and refreshments. The public is cordially invited to attend. An orchestra is being assembled to provide music for the dancing.

Would Boost Teacher Pay

SACRAMENTO —(C. N. S.)— Teachers would receive a minimum salary of $3,000 per year under a bill passed recently by the state assembly.

The EASY-DOES-IT CORNER
by HENRY LOEHR

How To Put New Life Into Old Paper And Metal Roofs. There's no time like now for money-saving action on your roofing-paper and "tin" roofs. It's so easy to preserve your roof, keep it cooler with Standard Aluminum Asbestos Coating.

Here's the routine we recommend for brush application:

1. Clean roof thoroughly.
2. Inspect for defects; if badly worn, re-roof.
3. If roof is secure, patch major holes and tears.
4. Stir Standard Aluminum Asbestos Coating thoroughly and apply with roofing brush.
5. Use long, easy strokes. One or two strokes over a given spot cause the material to flow out to a natural thickness. Further brushing results only in "balling" of the coating.

Standard Aluminum Asbestos Coating actually adds years of service to roofs. Call us about it today. We'd like to show you the service that has helped us grow in this locality.

Why not give your Pride a break?

Let's see what it means to own a ROADMASTER.

It means, first of all, that you're a shrewd judge of fine manufacture. Nowhere will you find a mechanism more skilfully fitted part to part with scrupulous precision—engineered to stricter standards of fine-car quality—than the deep-framed and durable ROADMASTER chassis.

It means, also, that you possess keen appreciation of everything that makes for unsurpassed performance.

For there's more to this dazzling beauty than its thrilling take-off. There's the surplus of power that you need to make you the master of busy traffic or open road—plus the velvet magic of Dynaflow Drive (at no extra cost, mind you).

There's the level-going luxury of ample roadweight buoyantly balanced on coil springs on every wheel—and the security of brakes specifically engineered for firm control of this great-powered beauty.

But there's still another distinction to being a ROADMASTER owner.

It marks you as one who buys wisely and well. Size for size, pound for pound, feature for feature, few cars can even approach what your dollars will buy in this finest of Buicks.

There's much more to be discovered by a visit to any Buick dealer's showroom.

There's the sumptuous softness of cushions, the custom excellence of fabrics and interior trim, the grace and charm of every line and contour.

So if you've dreamed of sometime owning a car superbly fine, there's no time like the present—and no car like ROADMASTER for making dreams come true.

Equipment, accessories, trim and models are subject to change without notice.

Your Key to Greater Value

Tune in HENRY J. TAYLOR, ABC Network, every Monday evening.

SUMMIT SNOWFALL UNPREDICTABLE SURVEY INDICATES

by DOUG BARRETT

When Bob Buddle, who manages the Southern Pacific Hotel in Truckee, turned over to me graphs and figures kept by his company on snowfall at Donner Summit, I thought a study might form some basis for predictions of future snow fall. The only thing the graphs indicate is that the snow fall on Donner Summit is unpredictable.

For instance, it was interesting to note that in February, 1938, more snow fell (365 inches) than for the entire season in 13 of the 20 winters covered in the figures.

Incidentally, that winter, 1937-38, found 819 inches falling for a record between 1879 and 1951 at least. The winter before recorded a fairly average 476 inches and the following winter dropped off to 291. Low points came in 1924-25 and 1925-26 when only 228 inches fell during each of those winters.

In a corollary paper, carrying figures back to 1879-80, the Norden SP surveys showed no total higher than the 1937-38 figure. The nearest approaches were in 1879-80 and 1889-90 when 783 and 776 inches respectively were recorded.

Within the scope of the survey, it is even impossible to predict the month of the heaviest snow fall. While February, 1938, hit 365 inches, the peak in 1880 came as late as April and piled up 298 inches. March frequently figures as a top snow month, with March of 1907 bringing 265 inches, but in January, 1911, 283 inches were recorded to top that winter.

See what I mean? You just can't figure the snow fall on Donner Summit so you might as well just make the best of what you get.

◆

MARINE CORPS HISTORY IN PARAGRAPHS

Upon the establishment of the Marines by Congressional resolution November 10, 1775, Captain Samuel Nicholas was ordered to recruit two battalions of Marines.

The first U. S. Marine Corps unit was the detachment on board the "Cabot," December, 1775, as part of the naval squadron under Commodore Esek Hopkins.

First American Marines in European waters during the Revolution were those aboard the "Reprisal," which took Benjamin Franklin to France in 1776 and later captured several British prizes.

U. S. Marines were with John Paul Jones on September 23, 1779, when he uttered the famous expression, "I have not yet begun to fight."

Lawrence Washington, a brother of General George Washington, was a Marine officer.

As early as 1740, three Continental Marine regiments were recruited in America, assembled in New York under the command of General Alexander Spotswood of Virginia, and performed valiant service in the West Indies for the Royal British Navy.

The resolution of the Continental Congress in 1775, which authorized the original two battalions of Marines, further specified that the personnel selected be "good seamen or so acquainted with maritime affairs as to be able to serve to advantage at sea."

The first Marine Corps recruiting station was Tun Tavern in Philadelphia.

Scarlet and gold are the official colors of the U. S. Marine Corps.

Nixon Calls For Adoption of MacArthur Policy or Alternative

by RICHARD NIXON
(U. S. Senator, California)

WASHINGTON, D. C.— The emotional impact and clash of personalities which at first characterized public reaction to the President's dismissal of General MacArthur was, to a great extent, diminished by the general himself in his address to Congress.

SENATOR NIXON

The speech served the purpose of bringing into sharp focus the real, basic issue of the controversy—what kind of a policy are we going to adopt to end the war in Korea? At first the issue seemed to the wisdom of the President's dismissal action and the manner in which he acted. But now it must seem that this is all water under the bridge and that personal and partisan conflicts must be forgotten as we set about the task of determining what is best for the country.

We are faced with this choice—the present Acheson policy of continuing the war in Korea with no real plan or hope of ending it and the MacArthur program to end the war victoriously, without appeasement.

Wars are ended either by military victory on the battlefield or by political settlement at the conference table. As MacArthur so well said, the communists have made it abundantly clear that no political settlement with them is possible except by appeasing them—by turning Formosa over to them and by admitting Red China to the United Nations. Nor is military victory possible under the present policy. As General Ridgway, MacArthur's successor, has admitted, the war cannot be won on the battlefield as long as our forces continue to be hamstrung by the present United Nations' restrictions on their operations.

Whether we agree or disagree with all segments of the MacArthur policy, the fact remains that he has proposed a plan for ending the war and the state department has not. It is now their responsibility either to adopt the Mac Arthur program in whole or in part, or to come up with a better one of their own, because to continue the present policy of war without victory can result only in disaster for our cause.

Where there should be a policy there is now only a void in the state department and administration circles. I, therefore, believe that the greatest possible service the President could now render the country would be for him to call General MacArthur to the White House as one of his advisers to give the country the benefit of his experience and counsel on Far Eastern policy. The fact that he does not completely agree with MacArthur is an argument for rather than against such action. There are too many "yes men" around the President. What we need most in Washington today is new and intelligent leadership.

Certainly General MacArthur's address to Congress qualified him, had there been any prior doubt, as one of the best informed men in the country on both military and foreign policy. In these perilous times, such a man should not be allowed to fade away.

NORSEMAN WINNER OF SILVER BELT, DICK BUEK SECOND

SUGAR BOWL— Norway's Guttorm Berge, 22-year-old candidate for his country's 1952 Olympic team, outran a star-studded field to win the annual Siver Belt giant slalom here Sunday. It was the second Silver Belt victory in a row for Berge, an exchange student at Whitman College at Walla Walla, Wash. He was timed at 1:06 for the 31 gate course on Mount Lincoln.

He was pressed by Dick Buek, 21, Donner Summit youth recently named to the '52 U. S. Olympic team, who maneuvered the course in 1:07. Third place went to Yves Latreille, 23, former Canadian Olympic skier from Three Rivers, Quebec, who finished in 1:09.

Pete Seibert (1:09.3) and Steve Knowlton (1:10), both from Aspen, Colo., were fourth and fifth.

In a 1:11 tie for sixth were Lief Sommerseth, Norwegian exchange student skiing for Sugar Bowl, and Jan Branger of Davos, Switzerland.

The class of competition was indicated by the fact that between the winning time of 1:06 and the 19th place time there was only one minute and one second difference.

Sally Neidlinger, 21, American Olympic team member, won the women's event in 1:19.4. A native of Hanover, N.H., she, like Buek, skied under the auspices of the Sun Valley Ski Club.

NOTICE OF INTENTION TO ENGAGE IN THE SALE OF ALCOHOLIC BEVERAGES

April 17, 1951

To Whom It May Concern—

Subject to issuance of the license applied for, and commencing not less than 15 days after the date posted, notice is hereby given that the undersigned proposes to sell alcoholic beverages at these premises, described as follows:

Gateway Cafe, Hwy. 40, Truckee, Nevada County.

Pursuant to such intention, the undersigned is applying to the State Board of Equalization for issuance on original application of an alcoholic beverage license (or licenses) for these premises as follows:

On Sale Beer

Anyone desiring to protest the issuance of such license(s) may file a verified protest with the State Board of Equalization at Sacramento, California, stating grounds for denial as provided by law. The premises are not now **licensed for the sale of alcoholic beverages.**

Earl S. and Helen S. van Uden

SUMMIT SCENE

by FRAN COUILLARD

Huge crowds amassed at the big garage at Soda Springs last Sunday gave mute evidence to trgedy, for the slender body of Felix Trujillo of Troy, son-in-law of old timer Southern Pacific foreman Joe Marin, lie at the bottom of a gas fumed well and defined the panic stricken crowd to remove it. Oxygen tanks, ropes and endless evidences of heorism and bravery caused consternation and near panic when gas masks could not be found and ropes broke. Harry Pratt, owner of the garage, has used the help of the boys on weekends in the area for the past two years as he has added to his Soda Springs holdings. As Harry started down the dank, gas fumed hole to take his turn in rescuing the Mexican lad, an electric light globe nearby exploded, igniting the fumes and the concussion rocked the area. Pratt, badly burned about the face and head, "froze" onto the rope which was lowering him and had to be dragged back to the surface partially suffocated. Little Mike Rios, also working on the premises, now lies in a Reno hospital as the result of his heroism. As news of the tragedy spread, residents flocked to the scene, among them Earl DeBau, foreman of the work now going on at the Soda Springs Hotel. His knowledge of rescue work, culled from former experience, forced the dazed crowd to give him control and in a short time Trujillo's body was brought to the surface and the half dead Rios, who not only had been gassed but had slumped into the freezing water at the bottom of the tank which was kept at a low level by pumping. Parley Merrill takes off for a few days from the Central Sierra Snow Lba to get over the near suffocation that he experienced as he was lowered into the pit. Glen Parsons of Trailsyde Lodge, one of the first at the scene, labored at the rescue work as did all of the close neighbors of the Pratts. It was a black Sunday.

Benny Bevin, Soda Springs Hotel bartender, rang the bell recently when a customer walked in, had a few drinks, tipped Ben lavishly and then threw him a set of car keys. "Going on to the east coast," stated the wayfaring stranger, "rather go by bus. Here are the keys to my car. You may have it if you like" and the customer walked out, climbed on an eastbound bus, leaving Ben goggle eyed behind the plank. T'ain't stolen either. Tho it is not the newest buggy in the world, it still wouldn't qualify Ben as a member of the horseless carriage club. Speaking of the horseless carriage society, Ben's boss, Brant Chaplin, recently unearthed an ancient Ford that permits him to become a member of the HCC. Lou LaBonte of Weimar also possesses one of ancient vintage which he expects to enter in the next HC parade.

Disk Jockey Milt Hogle of the Soda Springs Ski Corp. could be heard broadcasting o'er these hills on April 15 as he announced that the Soda Springs ski tows had made their last run of the season. "All knuckleheads meet at the Snowflake," shouted Milt. We discover that knuckleheads are Milt's hill staff. When the group finally assembled, Milt took his crew to Donner Summit Lodge for a wind up of the season cocktail party.

Spring is really here when Walt Simmons' B&B Steel Gang No. 1004 slide their outfit cars into the Soda Springs siding for bridge repair work. Seeing as how Walt and his gang spend a good many summers in these parts, they say it's like coming home.

Soaped windows at the Soda Springs Hotel announce to the world that renovation work in the old edifice has started with a vengeance. Dining room and bar have both been closed and those who labor behind the closed windows rip out old partitions, lumber and plumbing. Blueprints are carefully kept from the public and the grand opening will be a complete surprise to the natives and the large clientele that the old hotel has enjoyed. We know of a new cocktail lounge, we hear of a new coffee shop which will also serve, in part, as a rumpus room for minors. De luxe dormitories will be installed for the skiing public. Local carpenters grab their saws and hammers and join the huge crew so that work may be expedited for a July opening.

At Cisco Pines Lodge, we learn from J. T. Haywood that he has sold his place to men from San Francisco named English and Gull, the latter to take over on May 1. Haywood, who built himself a cabin across the Yuba River a bit further west, will take up his abode in his own home.

Rainbow Tavern buzzes with activity as the Soda Springs Hotel staff moves in to take up space during the renovation of their own quarters at the hotel. At Steen's Snowtel we learn that the Steens take a well earned vacation coastward while Ernie and Day Tschopp caretake the Snowtel in their absence. We see evidences of shutters being removed in the Kingvale Park area which means that that district will open shortly to the many cabin owners in that area.

At Donner Summit Lodge Betty Horak recovers from an illness which has kept her abed for the past week, while the lodge gets ready for a series of banquets which starts off with a dinner dance for the Low XII, a Lions Club banquet, a CSEA party on May 5 and an AAUW banquet May 8. Helen Hogle and Wanda Misener take a few deep breaths before they start in with spring housecleaning now that their Snowflake is closed after a terrific winter season. Madylon and Al Alden, both employed by the Soda Springs Ski Corp. this past season, pack their belongings and leave for their native san Francisco.

Helen McCarty can be seen painting the trim on her beautiful mountain home while she awaits the snow's melting so she can get on with her flower gardening and make of her surroundings a paradise that is the envy of all of us who haven't the magic green finger that Helen uses to charm plant life out of her soil.

Sis and Bob Leando, co-owners of Beacon Hill Lodge with Elmo Moriano, return from a San Francisco sojourn.

Madylon and Bud Walton bring friends up each weekend and keep an eye on the renovation of the hotel, for Madylon spent a good many years of her life, as a former Jones girl, being raised under the good old roof. Bill Rutherford sends all his mountain friends picture postal cards from Washington, D.C. From the nation's capital he travels for a few days in New York. We hear that Kiski Lodge closes May 1 so that Lola Schull can rest her weary legs after her usual terrific winter season. Atop the Summit Pat and Jack Woodard plan a trip to New York, to visit Jack's mother, planning to leave the youngsters in Montana with Pat's mother.

NOTICE TO BIDDERS

Notice is hereby given that sealed bids will be received by the Governing Board of the Tahoe-Truckee Unified School District, Placer and Nevada Counties, California, at the office of the Superintendent, Truckee, California, on or before, and no later than, Friday, the 11th day of May, at 5 p.m., for the purchase of classroom furniture. Specifications are on file in the office of the Superintendent of Schools at Truckee, California. Bids will be opened at 8 p.m. on Thursday, the 17th day of May at the office of the District Superintendent of Schools at Truckee, Caliifornia.

The Governing Board reserves the right to reject any and all bids, in part or in total, to waive any irregularities, and to be the sole judge of suitability and fitness of products offered.

Bidders are required to submit complete specifications for any and all items for which bids are offered and furnish a certified check in the amount of 10% of the bid to guarantee faithful performance of contract.

By order of the Governing Board, Tahoe-Truckee Unified School District.

W. A. LOYND, President

Bergs Back—

Mr. and Mrs. Gil Berg have returned from the valley district where he has been working for several months.

Wyethia Fashion Show Gets Spectators' Praise

Mrs. Amy Lange of Colusa, tri county president of the Federated Women's Clubs California was introduced by Mrs. Barney Phipps and made a few well chosen remarks before the brief business meeting, luncheon and fashion show given in the Wyethia Club house on last Friday afternoon.

Artificial orchids made by Mrs. Fred Pedley were at each place and the centerpieces at the tables were decorated parasols in pastel shades.

Mesdames Earl Brown and Lester Deckwa assisted Mrs. Pedley and the latter was also commentator as the California-made summer casuals from Cabona's Store were modeled. At the conclusion Mrs. Nace Firpo and Mrs. Charles Osburn were applauded for their part in choosing the attractive ensembles. Mrs. Jack Wolert played appropriate selections on the piano.

Girl Scouts of Truckee who efficiently served dishes were Linda Loynd, Lee Rich, Clarita Richards, Joan Stallard, Lila Farrar, Rosalie Kaspian, Janice Gray and Olivia Dugan.

Models for the affair included Debbie Ellis, Marcia Leamon, Vicki and Stephanie Firpo, Theo and Patricia Scott, Jesse Rablin, Judy Loynd, Alberta Cooper, Marjorie Osburn, Mesdames L. D. Nelson, Jack Ellis, Robert Sutton, Robert Gifford, and Walter Loynd.

Ski Instructors Group Names New Officers

Robert Brelsford of Yosemite was elected president of the Far West Ski Instructors Association at the spring covention held April 16 to 20 at Squaw Valley, replacing Eddie Aro of Soda Springs.

Other officers elected include John Johansen, Soda Springs, secretary; Robert Law, Mt. Waterman, treasurer; Buck Martin, Yosemite, first vice president; Bud Zorich, Soda Springs, second vice president; Hans George, Mammoth, third vice president. Brelsford was secretary of the group last year.

Marty Arrouge, visiting at Squaw Valley, was made an honorary member.

The Far West Ski Instructors held their giant slalom for the Corty Hill trophy on the course set by Emille Allais and the forerunners were Allais and Dick Buek of Soda Springs. The award was made to Bob Heater whose time was :53.4, with Bud Zorich coming in second in :54 flat. Others in order of their arrival were Stan Tomlinson, Dodie Post, Doug Phfier, Buck Martin, Peter Picard, Dick Conant, Roy Palton, Bob Law, Lloyd Mason, Hans George, Bob Brelsford and Phil Sullivan.

* * *

The public is again reminded to attend the food sale sponsored by the WSCS at Freeman's Do-Nut Shop tomorrow morning beginning at 10 a.m. A complete line of home cooked foods will be on sale.

First Year Celebrated—

Billy Cardinal, son of Mr. and Mrs. Heslin Cardinal, had one candle on his birthday to indicate his age on Sunday, April 22.

Two Anniversaries—

RECIPE OF THE WEEK

By Mary Lee Taylor

Vegetable Meat Dinner

Broadcast: April 28, 1951

1 lb. meat,* *cut for stew*
2 tablespoons flour
1½ teaspoons salt
⅛ teaspoon pepper
3 tablespoons shortening
2 tablespoons finely cut onion
2½ cups boiling water
4 small potatoes, *pared*
4 medium carrots, *cut in half*
1 cup drained peas, *cooked or canned*
½ cup Sego Milk

Roll meat in mixture of flour, salt and pepper. Brown slowly in hot shortening. Add onion; cook slowly 5 min. Add water. Cover and cook over low heat 1 hour. Then add potatoes and carrots. Cover; cook 25 min., or until vegetables are tender. (There should be about ½ cup liquid left in pan; if not, add water.) Then stir in peas and milk. Heat until steaming hot, but do not boil. Makes 4 servings.

★Beef, veal, lamb or lean pork.

You Will Need:

Sego Milk, Meat, Flour, Shortening, Onions, Potatoes, Carrots, Peas.

Tarzan
by EDGAR RICE BURROUGHS ®
AFTER GAINING HIS FREEDOM FROM THE VALLEY OF THE MIDGET MEN, TARZAN'S FIRST QUEST WAS FOR FOOD.
SOON TARZAN'S NOSTRILS DETECTED HORTA, THE BOAR. SWIFTLY HE LOCATED, THEN DOWNED HIS PREY.
BUT HIS TASTY FEAST WAS INTERRUPTED BY A SWEET, ALIEN AROMA. GLANCING UPWARD, HE SAW A WHITE GIRL PEERING FROM THE LEAFY FOLIAGE!
SHE WAS AN ATTRACTIVE WOMAN AND WHEN TARZAN LEAPED TO HIS FEET, SHE TOOK FLIGHT THROUGH THE TREES AS DEFTLY AS MANU, THE MONKEY.
CURIOUS, THE APE-MAN PURSUED THE GIRL, ONLY TO FIND HER ALMOST AS FLEET OF FOOT AS HE!
SUDDENLY THE GIRL UTTERED A TERRORIZED SCREAM-- A VICIOUS BLACK PANTHER BLOCKED HER ESCAPE! TARZAN SPED TO INTERCEPT SHEETA, WHO, WITH TAIL TWITCHING, CROUCHED FOR THE SPRING!

OH, NO, NOT BOOMERS AGAIN!
VE BUSTED OUR PIGGY BANK UND LOOK VOT VE BUYED!
CHIANT LA-LA-PAZOOSTERS! AIN'T DEY LUFFLY, MAMA?
BUT, DOLLINKS, IT STANDS IN DER BOOK HERE DER STORY OF DER NAUGHTY BOYS VOT GOT BLOWED UP MIT DERE OWN FIRE-VORKS. SO LOOK OUDT
DON'T VORRY, MAMAKINS, VE GOT DER ROUGH IDEA. VE'LL BE CAREFUL
AT DER SOUND OF DER BOOM VE BE FAR, FAR AVAY!
STOP BOYS, DON'T DID IT!
BOOM
BOOM
FIRECRACKERS, EH? I SEEN VOT YOU DONE! BUT DON'T CRY, DOLLINKS. REMEMBER DISS HOITS MAMA MORE AS IT DOES YOU!
AW, PUT SUM PEP IN IT, MAMA! DEY BLOWED ME UP IN MY SUNDAY VUNS
PAT-A-CAKE PAT-A-CAKE
MY HAT, GIFF A LOOK!
BOO-HOO-DOT SHOULD BE A LESSON, ANCHELS. SNFF-SNFF
SURE, YOU ISS SO RIGHT, MAMA, IT SHOULD BE A LESSON
BAH, IN DISS FAMBLY LESSONS DON'T COUNT
BUT CHUST IN CASE DEY DIDN'T GET DER POINT-DISS HOITS ME MORE AS IT DOES DEM!
NOO?
!!
?
BLAW
YOU SEE, ANCHELS, MAMA GOT RIGHT, IT HOITS ME CHUST AWFUL

ABBIE an' SLATS by RAEBURN VAN BUREN ®
THE SECLUDED ISLAND PARADISE OF HANGOVIA IS ABOUT TO BE INVADED BY THE INFAMOUS INTERNATIONAL GAMBLER--STERLING SILVER!! AND THAT'S NOT ALL THE CHILDLIKE NATIVES ARE EXCITED ABOUT!!
AHHH--- AT LAST I CAN ADD TO MY FAST DWINDLING SUPPLY OF HAIR TONIC---
HAIR TONIC, OH, HONORED FATHER?
THE FOOLS WHO SOLD ME THAT LAST CASE FOR A FEW PALTRY BAUBLES--DIAMONDS, THEY CALLED THEM--KNEW NOT THAT THIS TONIC MADE THE HAIR GROW FROM THE (GURGLE!) INSIDE!
HAIR TONIC
THIS IS THE OTHER THING WHICH HAS THE NATIVES EXCITED---THE OSTEROO--HALF OSTRICH, HALF KANGEROO!
I MUST HIDE YOU FROM THE GREEDY EYES OF THESE VISITORS, OSTEROO-WITH-THE-SPEED-OF-THE-ANGRY-WIND--- EAT FAST, FRIEND--
ANY BETTIN' PEOPLE ON THIS SAND BAR, BATHLESS??
THEY PLUNGES ONLY ON SURE THINGS, MR. STERLING SILVER---
BETTING THE SHORT END OF SURE THINGS IS HOW I OPERATES, BATHLESS--
IT IS OUR PLEASURE TO HAVE YOU-
WANNA BET ON THAT?
4-29
MEANWHILE--
A SMART OPERATOR LIKE ME KIN SEE RIGHT AWAY THAT THERE AIN'T NOTHING UNUSUAL ON THIS FLEA SPECK--(CHOKE!) W-WHAT WAS THAT??
TO BE CONTINUED--

JOE JINKS
BY HENRY FORMHALS ®
GOSH, HERE TH' FISHIN' SEASON'S ABOUT T'START AND MY OLD ROD'S FALLIN' APART! IT'S SPLITTING, TH' WRAPPING'S COMIN' OFF AN' HALF TH' GUIDES ARE MISSIN'!
WELL, FOR GOODNESS SAKE – WHY DON'T YOU BUY A NEW ONE?
NEW RODS COST MONEY! I'LL PATCH UP TH' OLD ONE! MAYBE I CAN MAKE IT LAST ANOTHER SEASON!
THAT'S SILLY! YOU ENJOY FISHING SO MUCH! WHY NOT HAVE GOOD EQUIPMENT?
NOW LOOK, JOE – IF YOUR OLD FISHING ROD IS FALLING APART, WHY DON'T YOU BUY A NEW ONE?
MY CONSCIENCE WOULDN'T LET ME! THERE ARE TOO MANY MORE IMPORTANT THINGS WE NEED!
RECREATION IS IMPORTANT! BESIDES, YOU'VE HAD THAT OLD ROD FOR YEARS! IT'S TIME YOU BOUGHT A NEW ONE!
A NEW ROD MIGHT COST AS MUCH AS TEN BUCKS! NO, I'LL PATCH UP TH' OLD ONE!
YOU'LL DO NO SUCH THING! AFTER ALL, JOE, YOU MAKE THE MONEY IN THIS FAMILY AND YOU SHOULD BE ABLE TO SPEND A LITTLE OCCASIONALLY ON YOURSELF!
GOLLY, I WOULD LIKE A NEW FISHIN' ROD! MAYBE I COULD GET ONE REAL CHEAP!
HERE'S YOUR HAT! NOW YOU GO RIGHT DOWN TO THE SPORTING-GOODS STORE AND GET YOURSELF A NICE NEW ROD!
OKAY, THANKS, BLANCHE – MAYBE IT WOULD BE ALL RIGHT IF I SQUANDER A FEW BUCKS ON MYSELF!
4-29
BACK SO SOON, JOE? DID YOU GET YOUR NEW FISHING ROD?
SURE DID --- AND, ER, BY TH' WAY, BLANCHE ----
– DON'T WRITE ANY CHECKS FOR A WHILE, WILL YUH?
